The meeting will be held at Obrzycko, c. 50 km NW of Poznań, in the Raczyński's Palace situated on the Warta river bank in the Noteć Forest. The leading theme of the conference will concern meteorites. Traditionally, all other contributions concerning petrology, mineralogy and geochemistry are welcome. Both oral and poster sessions are planned. The presentation time is 15 minutes + 5 minutes for discussion. A field trip to unique craters in the Morasko Meteorite Reserve will be organized on Sunday morning, 21st of October.

Abstracts
Conference abstracts will be published in Mineralogia Special Papers. The abstract should not exceed 2 pages.
